WenGAGE by Sylogist App!

Students and Parents,

We are pleased to announce the release of our WenGAGE by Sylogist App!

Access to the Guardian Portal, Student Records Portal, Student Portal, through one app download. Access to the portals via the app provides all the same features and functionality that you are used to when accessing the portals from a web browser, including support for Sign in with Microsoft and Sign in with Google.

Student Portal:

Students can stay informed of their progress in the classroom with instant access to attendance, assignment status, class averages and school notifications.

Guardian Portal:

Guardians can stay informed of their student's progress in the classroom with instant access to attendance, assignment status, class averages, eligibility, discipline and school notifications. They can view lunchroom account balances.

Student Records Portal:

Guardians can manage all their students from a single login, submit enrollment information and documents for new and existing students as well as update contact information, when necessary, throughout the school year.
