<p>Mathematics Mrs. Jarrett mjarrett@rappahannockschools.us</p> <p>We have begun our unit on Simplifying and Evaluating Expressions. Using order of operations, students will evaluate algebraic expressions for given values of the variable.</p> <p>Questions or concerns? Please send me an email. :)</p>	<p>Science Ms. McCabe emccabe@rappahannockschools.us</p> <p>We will be continuing our studies on cellular organization, cellular respiration and photosynthesis. We are preparing for our first benchmark as well.</p> <p>Please contact me with any questions/concerns.</p>
<p>Language Arts Ms. Nutt snutt@rappahannockschools.us</p> <p>We are continuing our unit on nonfiction. We will explore autobiographical works and ask the question, "What makes an experience a defining moment?"</p> <p>Students should be studying their vocabulary consistently, as we will continue to integrate new words as the year progresses. If your student forgets their vocabulary list at school, it is posted in Google Classroom!</p> <p>Please reach out with any questions or concerns.</p>	<p><u>Reminders</u></p> <p>No school for students October 14 & 15</p> <p>October 15 - Parent/Teacher conferences 1-4 and 5-7 pm</p>
