

OWOSSO PUBLIC SCHOOLS

Ready for the World

Owosso High School Annual Education Report (AER)

January 5th, 2022

Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER), which provides key information on the 2021-22 educational progress for the Owosso High School. The AER addresses the complex reporting information required by federal and state laws. The school's report contains information about student assessment, accountability, and teacher quality. If you have any questions about the AER, please contact Bruce Holladay, Principal, for assistance.

The AER is available for you to review electronically by [clicking here](#) or visiting the OPS website, www.owosso.k12.mi.us. You may also review a copy in the main office at your child's school.

For the 2021-22 school year, schools were identified based on previous years' performance using definitions and labels as required in the Every Student Succeeds Act (ESSA). A Targeted Support and Improvement (TSI) school is one that has at least one underperforming student subgroup in 2018-19. An Additional Targeted Support (ATS) school is one that has a student subgroup performing at the same level as the lowest 5% of all schools in the state in 2017-18. A Comprehensive Support and Improvement (CSI) school is one whose performance is in the lowest 5% of all schools in the state or has a graduation rate at or below 67% in 2016-17. Some schools are not identified with any of these labels. In these cases, no label is given. Our school has not been given one of these labels.

Owosso High School continues to address closing the achievement gap. In addition to increased attention to instructional philosophy, we have instituted the following interventions to address the achievement gap: regularly scheduled lunch tutoring, regularly scheduled afterschool tutoring, Approaches to Learning (ATL) classes for students identified, Check-in and Check-out, and we continue using data to identify additional support for students. The Owosso High School has instituted a Grade Level Advisory Day (GLAD) for students to complete grade level tasks. Students use this hour to work on items such as high school transition work and introduction to IB personal projects for 9th graders, IB personal project completion for 10th grade, SAT test preparation for 11th grade and career/college exploration and EDP completion for 12th graders.

Central Office administration, building level administration and building level staff are working collaboratively to analyze data, revise the school improvement plan, and incorporate effective strategies to increase student achievement.

State law requires that we also report additional information.

- Owosso High School generally services 9-12 grade students who live in the Owosso Public School district. The school also accepts school of choice students from other districts to the extent enrollment

capacity allows. • Owosso High School has been continually accredited by for over one hundred years. This distinction ensures our adherence to the highest standards and offers a rigorous, well-rounded educational program to all students. The school improvement plan is available upon request.

- A Copy of the core curriculum is available at the Owosso Public Schools District Office, www.owosso.k12.mi.us, and Owosso High School. Curriculum maps, aligned with Michigan Department of Education (MDE) standards and benchmarks continued to be created and updated for each department at Owosso High School.
- These efforts are supported by an on-going Five Year Plan for Curriculum Renewal process. The plan for district wide professional development for the 2019-2020 school year was formulated through collaboration with teachers and administration leading to a unified instructional experience for all students.
- Owosso High School's student assessment data report, which is found on page three, contains student assessment results.
- Owosso High School's attendance at fall parent/teacher conferences was 28% (37% in 2011), due in large part to our parent's extensive use of the PowerSchool parent portal and a change in 2011 to a 3-hour evening session only.
- Owosso High School is also required to provide the following information:
Seventy-nine (79) students (9%) of Owosso High School had post-secondary enrollment status, while earning a total of Eight-hundred and Seventy-two (872) college credits.

Two-hundred and seventy-four (274) college equivalent courses were offered at Owosso High School.

Ninety-four (94) students, 12% of our student population, were enrolled in AP classes during the 2019-2020 school year. Owosso High School administered one-hundred and fifty-four (154) AP exams during the 2019- 2020 school year. Eighty-three (83) of the AP tests given to our students resulted in at least one score leading to college credit, or 54% of our total AP exams administered.

In addition, Owosso High School had 1 National AP Scholar, 17 AP Scholars, 8 AP Scholars with Honor, and 2 AP Scholars with Distinction.

Owosso High School is committed to creating a quality learning experience for all students. Our vision is to be the premier high school in the State of Michigan. We appreciate the continued support of parents, staff and our community.

Sincerely,

Bruce Holladay
Principal
Owosso High School

NAEP Participation Data

Grade	Subject	Participation Rate for Students with Disabilities	Standard Error	Participation Rate for Limited English Proficient Students	Standard Error
4	Math	86.9	2.25	97	0.97
	Reading	85.4	2.57	98	1.04
8	Math	81.9	2.48	95	1.79
	Reading	83.3	2.41	91	3.97

The National Assessment of Educational Progress (NAEP) is periodically administered by the U.S. Department of Education based on assessments administered to samples of students in each state. Federal regulations require the display of state level NAEP data on the Annual Education Report. These data represent the performance of the most recent sample of Michigan students on the NAEP.
