IMMEDIATE RELEASE

March 20, 2025

WCS D EARLY COLLEGE PROGRAM CELEBRATES MILESTONE

Williamsburg County School District is excited to celebrate a historic milestone with the graduation of the first cohort of students from its Early College Program. These dedicated individuals have not only earned their high school diplomas but have also completed significant college coursework, giving them a head start in their academic and career paths. The graduation ceremony is scheduled for May 9, 2025, to honor these trailblazing students who have shown perseverance, academic excellence, and a commitment to higher education.

Through the Early College Program, students gained the opportunity to earn college credits while achieving an associate degree alongside their high school diplomas. In partnership with Williamsburg Technical College, this program provided students access to college-level instruction, campus resources, and academic mentorship. Many graduates will continue their education at various colleges or universities. A special recognition ceremony took place on March 20, 2025, at 10 a.m. at Williamsburg Technical College to honor the graduates. Attendees included officials from Williamsburg Technical College, such as Dr. Patty Lee, President, and Ms. Paige Brown, along with representatives from Williamsburg County School District, including Dr. Kelvin Wymbs, Superintendent, and Mr. Neilson Hilton, Director of Special Programs and School Counselors.

For more information about the Early College Program and future enrollment opportunities, please visit www.wcsd.k12.sc.us or contact Mr. Neilson Hilton at (843) 355-5571 or nhilton@wcsd.k12.sc.us.
