## CCMS Spring TCAP Testing Calendar – Mark the dates!

### Mark Your Calendars!

Please note the dates our CCMS students will be taking the state TCAP assessments. It is extremely important that our students are here, on time and ready for each day of testing. We thank you for your help in making sure your child is here each day and not scheduling any appointments or vacations during test days.

### How can you help your child prepare for testing?

- ✓ Encourage good study habits now; pay attention in class, complete homework, study for tests etc.
- ✓ Make sure your child gets good sleep each night before school – teens need 8-10 hours of sleep.
- ✓ Ensure your child eats a good, healthy breakfast each morning – remember, school breakfast is free for all students everyday.
- ✓ Encourage your child to stay calm and focused, and always try their very best.
- ✓ Stay positive – your child, with the help of you and their teachers, have worked hard this year to be ready to succeed! They CAN do it!!
