Early Dismissal on Friday, September 22nd

At the end of last school year, Tri-Township Schools applied for a waiver to include early dismissal days for the 2023-2024 school year. The administration wanted to provide more professional development opportunities to our teachers and support staff. We will be having four planned early dismissal days: September 22nd, December 22nd, March 22nd, and April 26th.

On early dismissal days, parent pick-up for our elementary students will start at 12:20 p.m. in front of the school. Elementary students will eat lunch at their normal time and still have their special for that day. Junior High and High School students will have all of their classes for thirty-one minutes and eat lunch together at 12:00 p.m. Junior high and high school students will be released at 12:30 p.m.

If your student is normally a bus rider and will be parent pickup, please call the day before or first thing in the morning on Friday.

We thank you in advance for your cooperation. These days will allow our administration and teachers to collaborate and provide the best instruction possible to our students.
