

Processional Banner Suggestions

If your parish, apostolate, school, or order already has a banner that represents well the identity of the organization, you are welcome to use this banner in the Diocesan Eucharistic Procession and other Diocesan Liturgies throughout the Eucharistic Revival. However, if your group does not already have a banner, we make the following suggestions:

1. The dimensions of the banner should be approximately 3 feet wide by 5 feet long.
2. The banner should hang vertically.
3. Each banner should include the name of your parish or organization.
4. The banner may contain an image that reflects the name, mission or charism of the parish or organization.
5. The banner may contain a scripture verse or quote from a saint.
6. The banner may include the date of the founding of the group.
7. The language (Spanish, Korean, Vietnamese, English, etc) may be appropriately representative
8. These banners may be made using talent within your parish or group.
9. The banner may be appliquéd, hand sewn, embroidered, painted or printed on cloth or canvas.
10. The banner should be made to hang on a processional pole. (Processional poles can be purchased through Alpha Church Supply, 205-942-5750)
