

Thatcher High School Daily Bulletin

September 28, 2021

*Students and Staff: the Art Explorations classes are asking everyone to donate their pop tabs (those rings on the top of soda cans that you use to open them) for use in a project later in the year. Instead of just throwing them away, you can put them in the white buckets that have been placed in the Front Office, In the Commons (next to the bookstore), next to Speedy Eagle, and in the Art Room. They'd like to make chainmail with them, so they need as many as they can get.
