Dear St. Anne Families,

As we begin the first week of May, it is hard to believe that we have just five weeks of school remaining - or, as some of our students have enthusiastically pointed out, only 23 days! This time of year brings a mix of excitement and anticipation, but it is also an important time to stay focused and committed. As I often reminded my students when I taught history, we've worked hard all year, and now it is time to finish strong.

I would like to extend my sincere congratulations to our third grade class for their dedication and effort in preparing for their First Holy Communion. Thank you to Mrs. Lisson and Mrs. Curry for their thoughtful guidance and commitment in helping prepare our students for this important milestone.

The St. Anne History and Science Fair was held on Tuesday, April 28, showcasing student learning across the middle grades. Grades 5 and 7 participated in the Science Fair with experiments and investigations demonstrating scientific understanding and inquiry skills. Sixth grade students presented an interactive Wax Museum featuring historical figures, while eighth grade students completed History Day projects highlighting research and knowledge of significant events and themes.

Join us on Tuesday, May 5 at 6:30 p.m. for our Spring Band Concert. This special evening will showcase the hard work and dedication of our student musicians as they perform selections they have been preparing throughout the year. Families and friends are invited to attend and support our talented performers. We look forward to a wonderful night of music!

Thursday is a big day! Our Art Show will be held on Thursday, May 7, from 5:30–7:30 p.m. This special evening is a wonderful opportunity to celebrate the creativity and hard work of our students. In addition our Ringers will perform at 5:45 p.m., showcasing their musical talents. We look forward to seeing you there as we celebrate the artistic talents of our students!

Students will be attending Mass on May 8, May 14 (Ascension Thursday) and May 29 at 8:45 a.m. As always, parents are warmly welcome to join us for these celebrations.

This year's kindergarten students will celebrate their graduation on Thursday, June 4 at 1:30 p.m., marking an exciting milestone as they complete their first year of formal schooling and prepare to move on to first grade. Eighth Grade Graduation is scheduled for Wednesday, June 3 at 6:00 p.m. in the church, as our students conclude their time at St. Anne School and prepare for the next chapter of their academic journey. Additional details regarding both ceremonies will be shared in the coming weeks.

LEARN SUCCEED LEAD

We truly appreciate your continued support and partnership in your child's education. Thank you for choosing St. Anne School and for your commitment to Catholic education. We are grateful for the opportunity to work together in forming students both academically and spiritually, and to guide them in growing in faith, service, and love of God.

With continued prayers,

Gregory J. Fries
