Instructional Options for Students Not Retuning to In-Person Learning

- Beginning January 10th, 2022 LDOE will no longer offer a virtual learning option for students.

- On 12/15/21 The LDOE School Board voted 5/2 in favor of offering only in-person instruction beginning 1/10/22.

- Visit this resource to learn more about online learning options and homeschooling in New Mexico. [New Mexico School Choice Roadmap](#)

NMPED Home Schooling

Home schooling is when a parent or legal guardian operates a home study program. Students who are home schooled are not considered public school students. Parents/legal guardians must notify the state of the establishment of a home school within thirty (30) days of withdrawal from public/private school.
