

TO'HAJIILEE COMMUNITY SCHOOL

BOARD OF EDUCATION, INC.

(a non-profit government contractor)

October 14, 2025

Dear Parents/Guardians,

We hope this letter finds you well. We are excited to announce that on November 6, 2025, our grade 11 and 12 students will have the opportunity to take the ACT (American College Testing) examination. This standardized test is an important step in their academic journey, helping them prepare for college and future career endeavors.

ACT Fall 2025 Testing Details:

- Date: **November 6, 2025**
- Time: **7:50 a.m.-12:00 nn.**
- Location: **TCS Gymnasium & Room 185-1**

The ACT is a comprehensive assessment that evaluates students in the areas of English, Mathematics, Reading, and Science. The results provide valuable insights into their academic strengths and areas where they may need further development. Many colleges and universities use ACT scores as part of their admissions process, making this test an essential component of college readiness.

Please note that there is no cost associated with taking the ACT Fall 2025 Testing for grades 11 and 12 students. To'Hajiilee Community School will cover the testing fees and will provide the necessary materials for testing. We highly encourage all eligible students to consider taking advantage of this opportunity to showcase their academic abilities to colleges and universities.

To help our students succeed, we have been providing guidance and support in preparing for the ACT through classroom instruction and practice materials. Additionally, if your child has specific accommodation needs, please be informed that accommodations will be appropriately provided.

We kindly request that students arrive promptly on the testing day and bring their best efforts. Late arrivals may not be admitted to the testing room, and their scores could be affected.

We understand that this is an important event for our students, and we appreciate your support in ensuring they are well-prepared and ready for the examination. After the test, we will communicate with you about the distribution of test scores and any additional information related to the ACT.

If you have any questions or concerns about the upcoming ACT testing, please feel free to contact us either via email at jceniza@tohajiilee.com or by phone at 505-908.2426 ext. 148/166 or Ms. Melissa Begay, the School Counselor at 505-908-2426 ext.108.

Thank you for your continued partnership in your child's education. We look forward to a successful testing day and helping our students take the next step toward their academic and career goals.

Sincerely,

Jojie E. Ceniza
School Testing Coordinator
