

7th Grade Newsletter

Week of October 13th, 2026

Math Mrs. Jarrett mjarrett@rappahannockschoools.us Block 1: We are working on our unit on Two-step Inequalities. Students will write and solve two-step inequalities with one variable. We will combine equations and inequalities for our unit test at the end of the week. Blocks 2 & 3: We are wrapping up our unit on Simplifying and Evaluating Expressions. We will test at the beginning of the week. We will then begin on Two-step equations. Please do not hesitate to reach out with any questions, comments or concerns.	English Miss Rowell mrowell@rappahannockschoools.us Students will have a vocab/roots quiz on Tuesday. We are continuing our non-fiction unit and researching holiday traditions in different countries. Students will finish presenting on their Holiday Research project. On October 7th, students will engage in their first book club. Students are allowed to bring treats in to share with the class, but they are not required to.
Civics Mr. Hummill mhummill@rappahannockschoools.us We will have a test on our tree folder Thursday the 15th. We will then launch into learning about the state government.	Science Mrs. McCabe emccabe@rappahannockschoools.us We will dive deeper into cells studying cell division, osmosis, diffusion and levels of cellular organization. No major tests this week. Questions or concerns? Please feel free to reach out with an email.
