

STUDENT AUTOMOBILE USE

Student use of an automobile on school grounds is a privilege. Careless driving, including speeding, is prohibited and is subject to school disciplinary action. Anyone guilty of careless driving may be reported to the police.

Improper use of a motor vehicle on school grounds can result in suspension from school. Driving a motor vehicle from school grounds during the school day without authorization will be considered improper use of a motor vehicle and will be considered grounds for suspension. Parking at the school is a privilege granted by the school and the privilege will be withdrawn if it is abused. If a student leaves the school grounds in a motor vehicle without authorization, parents will be notified and the student will be subject to disciplinary action up to and including suspension from school.

Automobiles must be parked in the designated parking area. Drivers and their passengers must leave the vehicle as soon as they arrive at school. Students, including the driver, are not allowed in vehicles during school hours, except for arrival, departure, or for pre-approved Junior/Senior release. Additionally, limited school day vehicle access for forgotten items may be permitted on a case by case basis with permission from the main office. School day vehicle access of any kind may be revoked if the privilege is abused.
