

PROVISION ELIGIBILITY

Dewey Public Schools

Child Nutrition Office
#1 Bulldogger Road, Dewey OK 74029-1601

Dear Parent or Guardian:

We are pleased to inform you that **Dewey Public Schools** will be implementing a new option available to schools participating in the National School Lunch and School Breakfast Programs called the Provision for School Year 2025-2026.

What does this mean for you and your children attending the school(s) identified above?

Great news for you and your students! All enrolled students at the school sites named above are eligible to receive one healthy breakfast and lunch at school at **no charge** to your household each day of the 2025-2026 school year. However, to continue to offer meals at no charge, it is imperative that the household still submits a Free and Reduced application to the district. The application indicates whether the school can continue to participate in the Provision program and determines how much additional funding the district will receive.

The district may require a separate form to be completed for additional school funding purposes. This is NOT a meal application, and eligibility cannot be determined by this form.

If we can be of any further assistance, please contact us by phone at (918) 534-2241, option 5 or by email: childnutrition@deweyk12.org.

Sincerely,

Amy Piper
