

## PLAY Card Resources

The screenshot shows the website for Satilla Regional Library. The header includes the library's name, contact information (Call Us: (912) 384-4667, Email: doug@srlysys.org), and a navigation menu with links for HOME, ABOUT US, BRANCH LIBRARIES, LIBRARY SERVICES, BOARD OF TRUSTEES, GET A LIBRARY CARD, and YOUR LIBRARY ON THE GO!. The main content area features a section titled 'Your Library On The Go!' with a breadcrumb trail 'Home > Your Library on the Go!'. Below this, there are two main categories: 'E-Books' and 'E-Audiobooks'. The 'E-Books' category is illustrated with an image of a tablet displaying a document titled 'Sección 1 PERIODISTAS'. The 'E-Audiobooks' category is illustrated with an image of a stack of books with headphones. To the right of these categories is a 'TRANSLATE:' section with a language selection dropdown and a 'Powered by Google Translate' note. A vertical 'Learn' button is located on the right side of the page. At the bottom, there are partial views of 'Magazines Available' and 'Need a Hand' sections.

To get started use the Your Library on the Go link in the upper menu on the home page of the Satilla Regional Library System’s website, or click this link [Your Library on the Go! – Satilla Regional Library \(srlysys.org\)](https://srlysys.org/your-library-on-the-go/)

All of the resources have been organized by type. For instance, all of the available eBooks are listed under the first listing for e-Books. Homework Help has the link to Tutor.com, as well as other resources to support students.

Note: on the right of the above screenshot you will see a green button labeled Learn, if you click it then you have access to tutorials on how to use resources, such as Hoopla, Tumblebooks, etc.

As you scroll down you will find more types of resources.

If you clicked eBooks, then you go to the eBooks page, and Hoopla is the first resource. There is a green button below the paragraph describing it that gives you a brief tutorial on Hoopla.

A short video comes up to discuss Hoopla, as well as more information about the resource.

After you click the link to access ABCMouse at home, you are taken to this landing page. Here you will select Georgia, and then Satilla Regional Library System, then enter your PLAY Card number.

• Selecting your child's **Avatar** takes you to his or her **About Me** page. That's where your child can take care of pets, decorate his or her room, and use the Tickets he or she has earned by completing Learning Activities.

• **Change User** allows you to switch between children on your family account.

• **My Learning Path** is your child's Step-by-Step Learning Path, which is a set of lessons and activities that teaches the academic knowledge and skills appropriate to your child's level.

• The **Map** gives you easy access to everything that's available on ABCmouse.

• The **Classroom** is filled with links to Learning Activities that are related to school subjects.

• The **Options Menu** gives you access to the **Parent Section**, where you can review your child's progress, and the **Assessment Center**. It's highly recommended that you help your child complete the appropriate Assessments at the beginning of your checkout period and again at the end, so you can see how much he or she has learned.

• **What's New**, **Featured Activities**, and **Things to Do** offer direct links to recommended Learning Activities.

• The **Zoo** and the **Farm** are special learning environments that are like field trips for your child.

Here is a quick overview image of ABCmouse.
