Dr. Tami Godman
Lake Joy Elementary

What do you love about your school?

I love the students, teachers, and our entire community. Lake Joy is an AWESOME place to be. Everyone works together to help our students succeed.

What do you love most about being a principal?

Interacting with the students is the most rewarding part of my job. When I stand outside on car duty, go into classrooms, and in the lunchroom, I get to engage with our Lions. It is wonderful to not only learn about their academics but also to learn about their interests, passions, and personalities. I love my job!

Tell us about the person who inspired you to become a leader.

Besides my parents, Dr. Ruth O'Dell, a former principal in Houston County, strongly encouraged me to pursue a career in leadership. Dr. O'Dell was an excellent role model in servant leadership, and I was truly blessed to grow professionally under her guidance and tutelage.
