Summer Reading Assignment 2025-2026

For summer reading, students will need to read Yann Martel's novel *Life of Pi*. The novel follows 16-year-old Pi's journey across the Pacific Ocean on a life raft with a Bengal tiger named Richard Parker, while exploring themes of religion, growing up, and faith in the midst of tragedy.

Students will write a written response to a prompt on the first day of class, and will need to be prepared to discuss the novel and its themes. Please make sure to annotate and highlight significant quotes, passages, and character information in your copy of the novel, as you will need to cite evidence from the text to answer the prompt.
