School Tax Credit**

and

**Stanfield Elementary School  
Extracurricular Activities**

**You can help students without  
spending a dime.**

**Activities You Can Support.** Taxpayer contributions support student field trips, services, and materials for extracurricular activities. These are the extracurricular student activities that you can help with your tax credit contribution check:

- Ⓢ Athletic Teams
- Ⓢ Student Clubs

**Worthwhile  
Student Activities for  
Your Local School**

## *School Tax Credit*

Arizona Revised Statute 43-1089.01 allows an individual income tax credit for up to **\$200** or **\$400** if filing jointly (\$200 each if filing separate returns) for fees paid directly to Arizona public schools to support extracurricular activities. **This is not a tax deduction -- it is a dollar-for-dollar tax credit.**

**An extracurricular activity** is any school-sponsored activity that requires enrolled students to pay a fee in order to participate. Generally, extracurricular activities are optional, non-credit, supplement the education program, and require students to pay a fee.

***THE MONEY GOES DIRECTLY TO STUDENT ACTIVITIES!***

### **Answers to Common Questions**

To receive the tax credit for tax year 2014, you must **send your payment to the school by December 31, 2014.** Payments postmarked by December 31 will qualify.

**You do not have to have a child in school to claim a tax credit. Individual taxpayers may claim the tax credit, but corporations may not.**

This tax credit may not be used to reduce tax liability to less than zero (refund is not permitted if there is no tax liability). Example: If you owe only \$150 in state income tax, and you donate \$200 to extracurricular activities, you'll receive \$150 back when you file your tax return -- the credit cannot reduce your tax to minus \$50.
