Events

March 19th-20th: Parent Teacher Conferences

March 20th: Silverwood Reading Logs Due!

March 21st: End of Quarter 3-No School Teacher In Service

March 24th-28th: Spring Break

Our Learning

Reading Skills Block: We will be working on CVC words and reviewing all short vowel sounds. We will apply those short vowels in various activities, and have a spelling test on Friday. We will learn 3 new high frequency words this week which will be 'from' 'have' and 'of'.

Reading Module Block: We are going to begin a new unit this week where we will use our research skills to further develop an understanding of specific trees meeting their needs. Our goal is to end with an informational collage.

Math: We are going to be diving into subtraction a little more this week.

Science: We are going to start a new science unit about Pushes & Pulls discussing force.

Teacher's Note

- **Mud:** The Spring mud is upon us as the snow continues to melt here in Bovill. It may be a good idea to have a change of clothes in their backpacks if they do not have some already. Boots are great for the mud outside, and either slippers or their PE shoes will be great for in the classroom.
