

Free Nutritious Food is Available for Your Child on Weekends Through the **SNACK IN A BACKPACK** Program

Registration Form

Snack in a Backpack is teaming up with the staff and teachers of all Fannin County Schools to offer a supply of nutritious meals and snacks for all children on weekends and extended breaks, free of charge. Bags are distributed by Snack volunteers on Thursday or Friday before the weekend or school break. Your student will bring the bag home to enjoy at home.

If you believe your child could benefit from this program, we encourage you to sign them up by filling the form out below and returning it to your child's teacher. Only one form is needed for all the children in your family, that attend the same school but include information for each child in the space below. This information is kept confidential.

Once your child is signed up, they will receive bags of food each week throughout the school year until they leave the school or until you no longer wish to participate. If your child has a food allergy we will accommodate them but do prefer a Doctor's note because of the cost of certain food items.

We encourage you to take advantage of this program for your family and your children to help meet nutritional needs. Our bag consists of 2 milks, 2cereals/oatmeal, meat, mac & cheese, fruit & grain bars, fresh apples and other foods as available. We also are adding a "fun food" snack item to the bag. Questions or Concerns? Please contact your school counselor.

SNACK IN A BACKPACK Registration Form

Please enroll my child (children) in the **Snack in a Backpack** program. I understand my child (children) will soon start receiving a bag of nutritious food at the end of each week or before upcoming school holidays.
