NEWS

Students, to increase your safety on our campus we have asked our teachers to ALL work together in enforcing the following practices. Teachers are asked to:

- *Not allow student phones to go with students to the restroom
- *Require students check in their cell phones to teachers during class time
- *Only send students out of class with our school established hall pass

And

- *Deny students who ask to use the restrooms during the first 10 and last 10 minutes of the class period.

These practices are not new, the change is that ALL teachers will be enforcing these rules. Thank you for your cooperation (4/24 & 4/25) Campbell
