## All About Mrs. Couper

Hello! I'm Avery Couper, and I'm thrilled to be teaching third grade ELA at PES for the fourth year in a row. PES captured my heart during my internship back in 2022, and I've been proud to call it home ever since! There's nothing more rewarding than watching my students grow and flourish throughout the school year. Outside the classroom, I love spending time with Jesus, going to church, spending time with my friends and family, traveling, and staying active. I got married last October, and we're so excited to welcome our first baby this January! I feel incredibly blessed to be part of the PES family and can't wait to meet all the new faces and embrace the opportunities this school year has in store. Go Lions!
