

# Willow Lake School

## December Calendar of Events

Dear Families,

As I write this month's note, I am finding myself very thankful for not only our health, family and friends, but also very thankful for the opportunity to lead a wonderful school district! We have so many great things going on at the Willow Lake School and it is a direct reflection of the dedicated staff, students, and community we have here! I am so thankful to work with such great people, to provide our students with the very best education we can. With our South Dakota winter weather upon us, PLEASE be sure your students have the appropriate winter weather attire. If you are in need of hats, gloves, mittens, etc. please contact the school and we will get something arranged. The final month of 2022 has come and 2023 is right around the corner. As we enter December, we have quite a few events taking place along with hosting our elementary and middle/high school Christmas concerts. We wish you all a wonderful holiday season and as always, thank you for supporting the Willow Lake School!

Chris Lee

Respectfully,  
Superintendent
