Highlights from Letters to Power

"I just wanted to write a few words and send a small donation wishing it could be more. I love your radio station Power 88. I was listening to it occasionally and felt better about my life.

Now I never change the channel and I feel like I can take on the world with the help of you and GOD. I'm going through a divorce now. Life was very emotional and hard a year ago. Now it is better because of Power 88 and keeps getting better everyday. God knows I'm not perfect. I'm a work in progress and everyday I get closer to my Lord and feel better about myself."
