

Pike County High School-Strategic Plan 2022-23

Pike County High School

Vision

To develop well-rounded, confident, and responsible young adults who aspire to achieve their full potential.

Mission

To provide excellence in education, producing graduates ready for college, career, and life-long success.

Beliefs

All students can learn, and their learning needs should be the primary focus of all decisions. Furthermore, students should be provided deferential instruction in a supportive, safe, and physically comfortable environment that promotes student learning and enables students to become lifelong learners.

Student Support Services

Professional Learning

Literacy & Numeracy

Intervention

Instructional Innovation

Objectives

- Educate and support students in college and career endeavors through counseling events and mentoring

Objectives

- Ensure that educators continue to strengthen their practice throughout their career

Objectives

- Improve math and reading literacy to ensure student success across the curriculum

Objectives

- Collaborative efforts to provide support and interventions to ensure on time graduation and academic success

Objectives

- Provide advanced and innovative opportunities to produce graduates ready for college, careers, and lifelong success.

Critical Initiatives

- Provide various comprehensive guidance and career exploration activities.

Critical Initiatives

- Provide effective professional development by engaging teams of teachers in activities that focus on the needs of their students
- Provide professional learning that challenges teachers to find ways to work technology into the curriculum in a way that enhances teaching and learning.

Critical Initiatives

- Improve tier I math instruction through strategic teaching and teacher professional development to prevent students from needing extensive intervention.
- Improve tier I reading instruction through strategic teaching and teacher professional development to prevent students from needing extensive intervention.

Critical Initiatives

- Improve student achievement for special education by providing highly individualized, differentiated instruction, co-teaching, and implementation of college and career readiness standards.
- Increase student support through positive behavior intervention

Critical Initiatives

- Every student will achieve college and career readiness upon graduation.
- Provide innovative programs to provide students with college degrees and/or workforce ready certifications upon high school graduation.

Key Measures
