Dr. Lamont L. Moore, Superintendent

July 27, 2026

WILLIAMSBURG COUNTY SCHOOL DISTRICT OFFICIALLY BEGAN THIS 2026-27 SCHOOL YEAR WITH INSPIRING OPENING SESSION

Williamsburg County School District officially kicked off the 2026–2027 Professional Development Institute with an inspiring Opening Session, bringing together educators, administrators, support staff, and district leaders from across the district under the theme:

"Moving Forward Together"

The program featured the Presentation of Colors by the Kingstree High School JROTC, musical selections by the Kingstree High School Music Department, words of inspiration from 2026 Hemingway High School Valedictorian Ms. Fredrika Flegler, and an impactful keynote address by Mr. Hayward R. Jean, educational consultant and district administrator.

The morning also included greetings from district leadership, members of the Williamsburg County Board of Trustees, state legislators, recognition of outstanding educators, and the Superintendent's Charge delivered by Dr. Lamont Moore, challenging every employee to embrace excellence, collaboration, and a relentless commitment to student success.

A special highlight of the Opening Session was the recognition of every school and department during the district roll call, symbolizing the collective strength and unity that will drive WCSD throughout the new school year.

As we begin another exciting year, we celebrate the dedication of our incredible educators and staff who are committed to ensuring every scholar receives a high-quality education in a safe, supportive, and engaging learning environment.

Here's to a year of learning, leadership, innovation, and achievement as we continue... *Moving Forward Together!*

The mission of Williamsburg County School District is to prepare students for college, careers, and citizenship in a global society.
