Week of Respect

Students from LLE and CRS participated in the Week of Respect from October 6-10. Each day featured a different theme that encouraged students to express themselves while learning about the importance of respect, kindness, and empathy.

Abracabully

As part of our Week of Respect, our students enjoyed a fantastic assembly by *Abracabully*, featuring magician Mike. Through engaging and entertaining magic tricks, Mike delivered an important message: it's okay to ask for help if you or someone else is being bullied. He also talked with students about who they can turn to for support. A big thank you to our PTO for bringing this meaningful and fun experience to our school!

Spotlight on 1st Grade

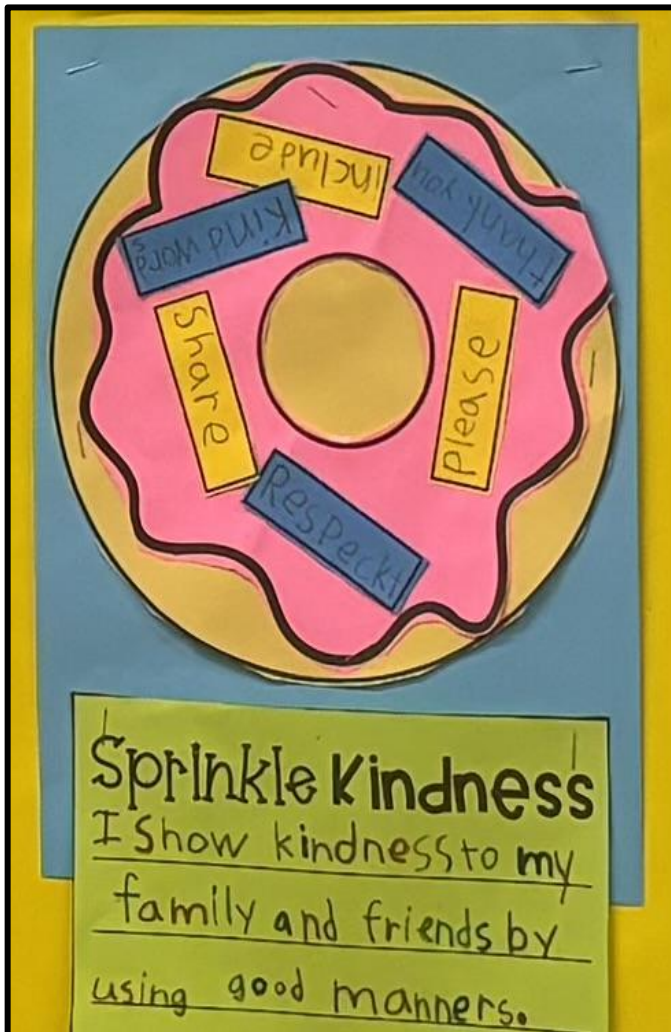

Sprinkling Kindness in First Grade

In our first grade classrooms, we are learning that even the smallest acts of kindness can make a big difference! To help us practice being kind, we created a special project called **Sprinkle Kindness**.

Each student decorated their own paper donut and added colorful "sprinkles" with words on them that represent **kind actions** they've done-like **helping** a friend, **sharing** supplies, or **giving** someone a compliment. They also wrote a short narrative that explains how they will sprinkle kindness in their classrooms.

These kindness donuts will be hanging around our classrooms and hallways to remind everyone that kindness is sweet and easy to share.

As we walk by the donuts, we're inspired to keep adding more sprinkles by doing more kind things each day. It's our way of making the world (and our school!) a little brighter-one sprinkle at a time.

October 10, 2025

Dear CRS and LLE Families,

The fall weather is finally upon us. With that comes the start of many fun activities for the students. This week alone we celebrated the Week of Respect and Fire Prevention Week. I would like to extend my gratitude to the Demarest Fire Department for spending time at CRS and LLE in order to educate the students about fire safety.

Each month we practice a fire drill, which is mandatory as well as a great way for our students and staff to always be prepared. One of the items that the DFD spoke about was fire safety in our homes. I would like to emphasize to all of you how important it is to have a fire safety plan in our homes. You can click [here](#) for tips from the Demarest Fire Department.

Please read and click on the information where applicable.

- **Student Attire:** Click [here](#) for a letter that went out last month regarding this topic.
- **Upcoming Events:**

<u>Date/Time</u>	<u>Event</u>
10/14	LLE Picture Day
10/15	CRS Picture Day
