

## Introducing the JMC Family App!

Hello Everyone!

We have exciting news about a brand new app from JMC! The JMC Family app is designed to help families and schools collaborate and communicate by offering a 360° view of your student's academic and extracurricular world.

The JMC Family app will allow you to

- View student grades and set alerts
- Check meal balances and add funds
- Monitor attendance and schedule a future absence
- Keep up on school events and classroom news
- So much more!

So don't wait. Download this app today!

### Where can I find it?

iOS and Android lovers unite! We've made the JMC Family app for both of you. And before you can even ask... why yes, it does work on an iPad.

Search for the JMC Family app in both the Apple App Store and the Google Play Store using keywords such as "JMC Family app", "Student Success", and "360 View".

### Downloaded & installed

Time to rally everyone! Let's get this thing downloaded, installed and families underway. Depending on your device, instructions might vary.

**Apple iOS (App Store)**

**Step One:** Tap the blue "Get" button beside the app name to begin downloading.

**Step Two:** Follow the on-screen instructions to verify the download.

**Step Three:** Click the "Open" button to launch the app!

**Android (Google Play Store)**

**Step One:** Tap the JMC Family app to begin downloading.

**Step Two:** Tap the "Install" link to begin the installation.

**Step Three:** Tap the "Accept" link after you've reviewed the information to finish the installation.

### Connecting the app to your school

The first step in logging in is to connect the app to your kiddo's school. This simple to-do ensures you're viewing the correct information.

**Step One:** Click the JMC Family app button on your mobile device to open the application.

**Step Two:** Connect the app to your district by entering your district's 4-digit mobile app PIN code. Mobile Pin: 0387

**Step Three:** Click the "Verify" button to connect the app to your district and to move on to the login screen.

### Entering a username and password

Your district's name should now be displayed underneath the JMC logo. If so, you've successfully connected the app to your district! The app will remember your district and not ask again. Let's get logged in!

**Step One:** Enter your username and password in the appropriate fields to get connected.

**Helpful Tip:** The app uses the same username and password combination as the Family Portal! If you don't have a family portal set up, please contact the office.
