SOFTBALL

ATHLETIC EMERGENCY ACTION PLAN

1. The highest person on the chain of command will be deemed the leader, and will stay with the athlete to monitor the athlete's condition and administer necessary first aid. If possible, someone else on the chain of command should also stay and assist. The front office or an administrator should be notified that there is an emergency situation on campus.

2. The highest person on the chain of command will make the call to EMS or will designate another person to make the call. (911 from a cell phone or pay phone.)

Specific instructions: **Emergency Contact: Matt Humphrey, Principal
Hannah Whigham, Athletic Trainer
David Watts, Head Softball Coach**

EMS should be told what the emergency is, the condition of the athlete and how to

get to where the athlete is. Also, tell EMS that someone will meet them at the closest intersection to aid in directing the ambulance. **DO NOT HANG UP UNTIL EMS HANGS UP FIRST.**

3. Phones at **Softball Field** are located: **Coaches Softball Office**

4. The leader will send runners to all intersections between where the athlete is located and **Athletic Field** to direct the ambulance to the athlete. The runners should stay in their positions and wave the ambulance through the proper turns to get to the athlete.

5. The leader will designate another person to attempt contact with the athlete's parents, Emergency contact information can be found **Principal's Office Filing Cabinet**.

If a parent is not present, the form should accompany the athlete to the hospital.

6. If transport is deemed necessary by EMS, the athlete will be taken to **Flowers Hospital**, unless the parent requests otherwise.
