

# Mr. Warnock - 2022 - 2023

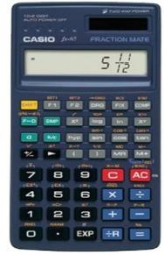

## Algebra 1 – 8<sup>th</sup> (Regular & Honors) (You do not have to buy the ones pictured.)

	Large (At least 1.5 inch) 3- Ring Binder		Pencils		Red Ink Pen
---	---	---	---------	---	----------------

Notebook Paper. You will always need to have a supply of notebook paper in your notebook.

\*\*\*\*\* Every student will also need 5 (five) plastic sheet protectors. So that you do not have to buy an entire pack of them, I bought several large packs and you can buy them from me, if you would like. It will be \$1.00 for a set of 5. **THIS IS NOT THE SAME AS DIVIDERS!**

## Geometry (Regular & Honors) (You do not have to buy the ones pictured.)

Large (At least 1.5 inch) 3- Ring Binder	Pencils	Red Ink Pen	<p><b>Calculator Notes:</b> <b>Geometry</b> -students are not allowed to use calculators in geometry until we get to the trigonometry unit. That is usually early to mid-April. At that time, students will need at least a scientific calculator (one that has the "sin", "cos" and "tan" buttons on it, see picture below). You may be able to find these very cheap at the beginning of the school year.</p>

## Algebra 3 (You do not have to buy the ones pictured.)

Large (At least 1.5 inch) 3- Ring Binder	Pencils	Red Ink Pen	<p><b>Algebra 3</b> - Students will need to have access to either a TI-83 or TI-84 during most class periods. There will be certain days that we will learn to do things on the calculator, but they will need one most of the time. They may either borrow one from a friend or from a sibling. The memory will be completely erased before tests.</p>
