## *Highlights from Letters to Power 88*

- One day I heard one of your announcers tell the story about Jesus using the boys lunch to feed the five thousand people and then he said, “you never know what the smallest gift will do to affect a life”. I was encouraged by the story to give what I was/am able to give now.
- The music on Power 88 is pure, fresh and encouraging. I enjoy it very much along with Kenny in the afternoon, Sunday mornings are extra special as I am prepared for Worship as I listen to Andy Chrisman.
