Writing Through Rap

On April 22nd DMS students will enjoy an assembly entitled "The Writing Process Through Rap."

Appreciation to our PTO for coordinating this assembly.

8th Grade Visits

Over the past two months our eighth graders have hosted a variety of unique speakers with regard to career interests. Dr. Daniel Lee visited DMS to teach about his work as a brain surgeon. Dr. Meir Olcha visited to demonstrate his work as a double board-certified OBGYN and Reproductive Endocrinologist. This month our eighth graders will be visited by Cadet Lynne Kim of the United States Military Academy.

Principal's Challenge

Principal's Challenge began this week in preparation for the Demarest 5K. This is a non-competitive and fun way for middle schoolers to get some exercise. Students can still join by visiting <https://www.demarest5k.org/>

Spring Sports

This week our baseball and softball teams had their first game of the season! Our track team will begin practice immediately after spring break. Go Wildcats!
