### **Prevention of and Response to Bullying, Intimidation, and Harassment**<sup>1</sup>

Bullying, intimidation, and harassment diminish a student's ability to learn and a school's ability to educate. Preventing students from engaging in these disruptive behaviors and providing all students equal access to a safe, non-hostile learning environment are important District goals.

Bullying on the basis of actual or perceived race, color, religion, sex, national origin, ancestry, physical appearance, socioeconomic status, academic status, pregnancy, parenting status, homelessness, age, marital status, physical or mental disability, military status, sexual orientation, gender-related identity or expression, unfavorable discharge from military service, order of protection status, association with a person or group with one or more of the aforementioned actual or perceived characteristics, or any other distinguishing characteristic **is prohibited** in each of the following situations:<sup>2</sup>

1. During any school-sponsored education program or activity.

---

<sup>1</sup> All districts must have a policy on bullying, monitor it, review and re-evaluate it, and file it with the Ill. State Board of Education (ISBE) every two years, no later than September 30 of the review year. 105 ILCS 5/27-23.7, amended by P.A. 103-47; 23 Ill.Admin.Code §1.295. The policy must be based on ISBE's template for a model bullying prevention policy (available at [www.isbe.net/Documents/Model-Bullying-Prevention-Policy.pdf](http://www.isbe.net/Documents/Model-Bullying-Prevention-Policy.pdf)), contain all requirements of 105 ILCS 5/27-23.7, indicate the date of adoption (by month, day, and year), and be filed electronically each review year through ISBE's IWAS system. 105 ILCS 5/27-23.7(d), amended by P.A. 103-47; 23 Ill.Admin.Code §1.295(b), (c). ISBE monitors policy implementation, including by providing technical assistance upon receipt of an allegation by a parent/guardian that a school or district has not substantially complied with its bullying policy. 23 Ill.Admin.Code §1.295(e), (f). If a district fails to file its policy by the deadline or submits a deficient policy, ISBE will provide a written request for filing and provide the district with technical assistance and resources to assist it in meeting bullying policy requirements and, as appropriate, notify the district's regional office of education or intermediate service center. 105 ILCS 5/27-23.7(d); 23 Ill.Admin.Code §1.295(g). If the district still fails to file its policy within 14 days of receipt of ISBE's written request, ISBE shall issue a letter of non-compliance (23 Ill.Admin.Code §1.295(e)(3)) and publish notice of non-compliance on its website (105 ILCS 5/27-23.7(g)(3)).

This sample policy's first paragraph allows a school board to consider its goals for preventing bullying and remedying its consequences; it may be amended.

In addition to a bullying prevention policy, all districts must have a policy on student behavior. 105 ILCS 5/10-20.14; 23 Ill.Admin.Code §1.280. Boards must, in consultation with their parent-teacher advisory committees and other community-based organizations, address aggressive behavior, including bullying, in their student behavior policy. See sample policy 7:190, *Student Behavior*, and sample exhibit 7:190-E1, *Aggressive Behavior Reporting Letter and Form*.

This policy contains an item on which collective bargaining may be required. Any policy that impacts upon wages, hours, and terms and conditions of employment is subject to collective bargaining upon request by the employee representative, even if the policy involves an inherent managerial right. See f/n 9, below.

Additionally, 105 ILCS 5/27-23.7(f), added by P.A. 103-47, requires districts to collect non-identifiable data regarding verified allegations of bullying within the District and submit it in an annual report to ISBE by no later than August 15 of each year, beginning with the 2024-25 school year through the 2030-31 school year. ISBE rules for data submission require that data be submitted electronically on a form approved by ISBE and include: (1) a record of each verified allegation of bullying and action taken; (2) whether the instance of bullying was based on actual or perceived characteristics identified in 105 ILCS 5/27-23.7(a) and, if so, lists the relevant characteristics; and (3) a record demonstrating that the district adhered to its bullying policy. 23 Ill.Admin.Code §1.295(h). See [www.isbe.net/Pages/Bullying-Prevention.aspx](http://www.isbe.net/Pages/Bullying-Prevention.aspx) for ISBE's *Racism-Free Schools Law and Bullying Prevention Data Collection Guidance* (8-7-24) and *Bullying Racism Free Schools Data Collection Template*.

<sup>2</sup> This paragraph and its subparts 1-4 are from the bullying prevention statute. 105 ILCS 5/27-23.7(a); see also 775 ILCS 5/1-103 and 23 Ill.Admin.Code §1.240. With the exception of order of protection status, the protected statuses are mandated by the bullying prevention statute. *Order of protection status* is not a basis for bullying in 105 ILCS 5/27-23.7, amended by P.A. 103-47, but it is listed here because the Ill. Human Rights Act (IHRA) prohibits harassment based on *order of protection status*. 775 ILCS 5/1-103(K-5), (Q). Including *order of protection status* in the list of protected statuses aligns with the protected statuses listed in sample policy 7:20, *Harassment of Students Prohibited*.

2. While in school, on school property, on school buses or other school vehicles, at designated school bus stops waiting for the school bus, or at school-sponsored or school-sanctioned events or activities.
3. Through the transmission of information from a school computer, a school computer network, or other similar electronic school equipment.
4. Through the transmission of information from a computer that is accessed at a nonschool-related location, activity, function, or program or from the use of technology or an electronic device that is not owned, leased, or used by the School District or school if the bullying causes a substantial disruption to the educational process or orderly operation of a school. This paragraph (item #4) applies only when a school administrator or teacher receives a report that bullying through this means has occurred; it does not require staff members to monitor any nonschool-related activity, function, or program.

Definitions from 105 ILCS 5/27-23.7<sup>3</sup>

*Bullying* includes *cyberbullying* and means any severe or pervasive physical or verbal act or conduct, including communications made in writing or electronically, directed toward a student or students that has or can be reasonably predicted to have the effect of one or more of the following:

1. Placing the student or students in reasonable fear of harm to the student's or students' person or property;
2. Causing a substantially detrimental effect on the student's or students' physical or mental health;
3. Substantially interfering with the student's or students' academic performance; or
4. Substantially interfering with the student's or students' ability to participate in or benefit from the services, activities, or privileges provided by a school.

*Bullying* may take various forms, including without limitation one or more of the following: harassment, threats, intimidation, stalking, physical violence, sexual harassment, sexual violence, theft, public humiliation, destruction of property, or retaliation for asserting or alleging an act of bullying. This list is meant to be illustrative and non-exhaustive.

*Cyberbullying* means bullying through the use of technology or any electronic communication, including without limitation any transfer of signs, signals, writing, images, sounds, data, or intelligence of any nature transmitted in whole or in part by a wire, radio, electromagnetic system, photo-electronic system, or photo-optical system, including without limitation electronic mail, Internet communications, instant messages, or facsimile communications. *Cyberbullying* includes the creation of a webpage or weblog in which the creator assumes the identity of another person or the knowing impersonation of another person as the author of posted content or messages if the creation or impersonation creates any of the effects enumerated in the definition of bullying. *Cyberbullying* also includes the distribution by electronic means of a communication to more than one person or the posting of material on an electronic medium that may be accessed by one or more persons if the distribution or posting creates any of the effects enumerated in the definition of *bullying*.

*Restorative measures* means a continuum of school-based alternatives to exclusionary discipline, such as suspensions and expulsions, that: (i) are adapted to the particular needs of the school and community, (ii) contribute to maintaining school safety, (iii) protect the integrity of a positive and productive learning climate, (iv) teach students the personal and interpersonal skills they will need to be successful in school and society, (v) serve to build and restore relationships among students, families, schools, and communities, (vi) reduce the likelihood of future disruption by balancing accountability with an understanding of students' behavioral health needs in order to keep students in school, and (vii) increase student accountability if the incident of

bullying is based on religion, race, ethnicity, or any other category that is identified in the Ill. Human Rights Act.<sup>4</sup>

*School personnel* means persons employed by, on contract with, or who volunteer in a school district, including without limitation school and school district administrators, teachers, school social workers, school counselors, school psychologists, school nurses, cafeteria workers, custodians, bus drivers, school resource officers, and security guards.<sup>5</sup>

### Bullying Prevention and Response Plan

The Superintendent or designee shall develop and maintain a bullying prevention and response plan that advances the District's goal of providing all students with a safe learning environment free of bullying and harassment. This plan must be consistent with the requirements listed below.<sup>6</sup>

1. The District uses the definition of *bullying* as provided in this policy.<sup>7</sup>
2. Bullying is contrary to State law and the policy of this District. However, nothing in the District's bullying prevention and response plan is intended to infringe upon any right to exercise free expression or the free exercise of religion or religiously based views protected under the First Amendment to the U.S. Constitution or under Section 3 of Article I of the Illinois Constitution.
3. Students are encouraged to immediately report bullying. A report may be made orally or in writing to the Nondiscrimination Coordinator, Title IX Coordinator, Building Principal, Assistant Building Principal, Dean of Students, a Complaint Manager, or any staff member with whom the student is comfortable speaking.<sup>8</sup> Anyone, including staff members and parents/guardians, who has information about actual or threatened bullying is encouraged to report it to the District named officials or any staff member. The District named officials and all staff members are available for help with a bully or to make a report about bullying.<sup>9</sup> Anonymous reports are also accepted; however, this shall not be construed to permit formal disciplinary action solely on the basis of an anonymous report.

**Title IX Coordinator:**

<sup>5</sup> 105 ILCS 5/27-23.7(b).

<sup>6</sup> Each numbered requirement, 1-12, corresponds with the same number in 5/27-23.7(b)(1) - (b)(12), and the requirements of 105 ILCS 5/27-23.7(b)(13) are included in numbered requirement 4. As a result, there are no reference citations in footnotes. All non-statutory requirements, plus alternatives and optional provisions, are described in footnotes.

<sup>7</sup> 105 ILCS 5/27-23.7(b), para. 3(1). See f/n 4, above and ISBE's *School Policies for Bullying Prevention* at: [www.isbe.net/Documents/Bullying-Prev-Policy-Req.pdf](http://www.isbe.net/Documents/Bullying-Prev-Policy-Req.pdf).

A board may augment the School Code requirement by using this alternative:

Using the definition of *bullying* as provided in this policy, the Superintendent or designee shall emphasize to the school community that: (a) the District prohibits bullying; and (b) all students should conduct themselves with a proper regard for the rights and welfare of other students. This may include a process for commending or acknowledging students for demonstrating appropriate behavior.

<sup>8</sup> The statute requires that the policy contain the email address and telephone number for the staff person(s) responsible for receiving bullying reports. Using the district Nondiscrimination Coordinator and Complaint Managers is consistent with sample policy 2:260, *Uniform Grievance Procedure*. While the names and contact information are required by law to be listed, they are not part of the adopted policy and do not require board action. This allows for additions and amendments to the names and contact information when necessary. It is important for updated names and contact information to be inserted into this policy and regularly monitored. A telephone number for making anonymous reports may also be added.

<sup>9</sup> 105 ILCS 5/27-23.7(d), requires that "[s]chool personnel available for help with a bully or to make a report about bullying" be made known to parents/guardians, students, and school personnel.

<sup>10</sup> Sample policy 2:260, *Uniform Grievance Procedure*, states that a district's Nondiscrimination Coordinator often also serves as its Title IX Coordinator. Best practice is that throughout the board policy manual, the same individual be named as Nondiscrimination Coordinator. In contrast, Complaint Managers identified in individual policies may vary depending upon local district needs.

4. Consistent with federal and State laws and rules governing student privacy rights, the parents/guardians of all students involved in an alleged incident of bullying will be notified of such, along with threats, suggestions, or instances of self-harm determined to be the result of bullying, within 24 hours after the school's administration is made aware of the student's involvement in the incident. As appropriate, the school's administration shall also discuss the availability of social work services, counseling, school psychological services, other interventions, and restorative measures. The school shall make diligent efforts to notify a parent or legal guardian, utilizing all contact information the school has available or that can be reasonably obtained within the 24-hour period. <sup>11</sup>
5. The Superintendent or designee shall promptly investigate and address reports of bullying, by, among other things:
  - a. Making all reasonable efforts to complete the investigation within 10 school days after the date the report of a bullying incident was received and taking into consideration additional relevant information received during the course of the investigation about the reported bullying incident.
  - b. Involving appropriate school support personnel and other staff persons with knowledge, experience, and training on bullying prevention, as deemed appropriate, in the investigation process.
  - c. Notifying the Building Principal or school administrator or designee of the reported incident of bullying as soon as possible after the report is received.
  - d. Consistent with federal and State laws and rules governing student privacy rights, providing parents/guardians of the students who are parties to the investigation information about the investigation and an opportunity to meet with the Building Principal or school administrator

<sup>11</sup> 105 ILCS 5/10-20.14 contains a similar requirement. See sample exhibit 7:190-E1, *Aggressive Behavior Reporting Letter and Form*.

or his or her designee to discuss the investigation, the findings of the investigation, and the actions taken to address the reported incident of bullying.

The Superintendent or designee shall investigate whether a reported incident of bullying is within the permissible scope of the District's jurisdiction and shall require that the District provide the victim with information regarding services that are available within the District and community, such as counseling, support services, and other programs.<sup>12</sup>

6. The Superintendent or designee shall use interventions to address bullying, that may include, but are not limited to, school social work services, restorative measures, social-emotional skill building, counseling, school psychological services, and community-based services.<sup>13</sup>
7. A reprisal or retaliation against any person who reports an act of bullying **is prohibited**. Any person's act of reprisal or retaliation will be subject to disciplinary action, up to and including discharge with regard to employees, or suspension and/or expulsion<sup>14</sup> with regard to students.
8. A student will not be punished for reporting bullying or supplying information, even if the District's investigation concludes that no bullying occurred. However, a person who is found to have falsely accused another of bullying, as a means of retaliation, as a means of bullying, or provided false information will be treated as either: (a) *bullying*, (b) student discipline up to and including suspension and/or expulsion, and/or (c) both (a) and (b) for purposes of determining any consequences or other appropriate remedial actions.
9. The District's bullying prevention and response plan is based on the engagement of a range of school stakeholders, including students and parents/guardians.
10. The Superintendent or designee shall post this policy on the District's publicly accessible website, if any, and include it in the student handbook, and, where applicable, post it where other policies, rules, and standards of conduct are currently posted. The policy must be distributed annually to parents/guardians, students, and school personnel (including new employees when hired), and must also be provided periodically throughout the school year to students and faculty.<sup>15</sup>
11. Pursuant to State law and Board policy 2:240, *Board Policy Development*, the Board monitors this policy every two years by conducting a review and re-evaluation of this policy to make any necessary and appropriate revisions. The Superintendent or designee shall assist the Board with its re-evaluation and assessment of this policy's outcomes and effectiveness. Updates to this policy will reflect any necessary and appropriate revisions. This process shall include, without limitation:<sup>16</sup>
  - a. The frequency of victimization;
  - b. Student, staff, and family observations of safety at a school;
  - c. Identification of areas of a school where bullying occurs;
  - d. The types of bullying utilized; and
  - e. Bystander intervention or participation.

The evaluation process may use relevant data and information that the District already collects for other purposes. Acceptable documentation to satisfy the re-evaluated policy submission include one of the following:

The District's bullying prevention plan must be consistent with other Board policies." The bullying statute does not identify staff member duties regarding the prevention of or response to student bullying. The following optional provision addresses staff member responsibilities and may be added as a new paragraph 13:

13. The Superintendent or designee shall fully inform staff members of the District's goal to prevent students from engaging in bullying and the measures being used to accomplish it. This includes each of the following:
  - a. Communicating the District's expectation and State law requirement that teachers and other licensed employees maintain discipline.
  - b. Establishing the expectation that staff members: (1) intervene immediately to stop a bullying incident that they witness or immediately contact building security and/or law enforcement if the incident involves a weapon or other illegal activity, (2) report bullying, whether they witness it or not, to an administrator, and (3) inform the administration of locations on school grounds where additional supervision or monitoring may be needed to prevent bullying.
  - c. Where appropriate in the staff development program, providing strategies to staff members to effectively prevent bullying and intervene when it occurs.
  - d. Establishing a process for staff members to fulfill their obligation to report alleged acts of bullying.

- i. 7:190, *Student Behavior*. This policy prohibits, and provides consequences for, hazing, bullying, or other aggressive behaviors, or urging other students to engage in such conduct.
- j. 7:310, *Restrictions on Publications; Elementary Schools*, and 7:315, *Restrictions on Publications; High Schools*. These policies prohibit students from and provide consequences for: (1) accessing and/or distributing at school any written, printed, or electronic material, including material from the Internet, that will cause substantial disruption of the proper and orderly operation and discipline of the school or school activities, and (2) creating and/or distributing written, printed, or electronic material, including photographic material and blogs, that causes substantial disruption to school operations or interferes with the rights of other students or staff members.<sup>18</sup>
