"If you have a problem or think you're going to have a problem, please come to the office and let us help you with your problem"

Message from Administration:

Dear Silver Streak Families,

We can not believe how fast the school year is going by! We are so excited about the progress our students are making their academic skills! We look forward to lots of reading this month with our Dr. Seuss Week, our March Madness Reading Event, and the Scholastic book fair! Students will have the opportunity to earn a \$25.00 gift card to the book fair by participating in our National Breakfast program the week of March 6th. We will also be hosting our Family Picnic on the Lawn Day and we hope you will lunch with your child on our campus on March 9th. Our third and fifth graders will attend the Lakeland Magic game and our JHW cheerleaders will be performing at halftime show. Our students have worked very hard and we are very excited for their work both on the court and off the court. After spring break, we are going to complete our March Madness Reading Event and celebrate our Silver Streaks that made academic progress during the third quarter as well as host our first eSports competition!

The third quarter grades close on March 10th. Please make sure you log into the parent portal and check your child's grades. If you need access to the portal, please come into the office and show your id. The directions will be given to you. This will allow you to track your child's progress in the classroom and be very helpful. The teachers will also be setting up conferences for any student who needs to set up an Academic Success Plan. These plans focus on strategies and goals for your child to make progress when he or she may need more support to reach grade level materials.

Kindergarten

Happy Spring! We are now in the the 3rd quarter of the school year, please make sure your child is coming to school on time everyday. Attendance has been an issue for kindergarten. In order to have all our students meet their end of year goal, they must attend school on a daily basis. From now to the end of the year, we are working towards more independent work in class and we would like for that to transfer to homework as well. Students must be completing and writing their homework assignments on their own. Please be on the lookout for the end of year countdown papers that will be sent home this month. Please pay attention to all the deadlines as there will be no exceptions! Thank for all your continued support.

First Grade

First Grade is diving head-first into preparations for Second Grade. The students are beginning to read and understand assignment directions on their own. This is not an easy transition. Some students are experiencing frustration, confusion, and moments of "I just give up," but they are also experiencing accomplishments, encouraging each other, and proud moments of "I can do this." We are encouraging our students to continue Reading 20 minutes at home every day. The First Graders are taking their learned math computation skills and will be applying them to double-digit addition and subtraction, and solving word problems using the CUBES method all while working independently. The students are using text evidence to respond in complete sentences to questions in ELA, Social Studies, and Science.

Second Grade

Second grade is moving along toward 3rd grade. We will be learning about and writing our own biographies and opinion essays in reading and writing. We will be learning about rules and responsibilities in Social Studies. In Science, we will be learning about natural and man made resources.

Third Grade

We will also be attending another Field trip on March 9th. Please submit permission slips and payment by Friday, March 3rd. If you are able to chaperone, please get with your child's teacher. Please use the link below to sign up:
Getting Involved

Please ensure your child is present and on time daily. We are continuing to learn new standards and review previously taught standards in Math and ELA. Encourage your child to ask questions if they don't understand something. Completing homework weekly is imperative in 3rd grade. Parents continue to sign your child's agenda and reading log nightly.

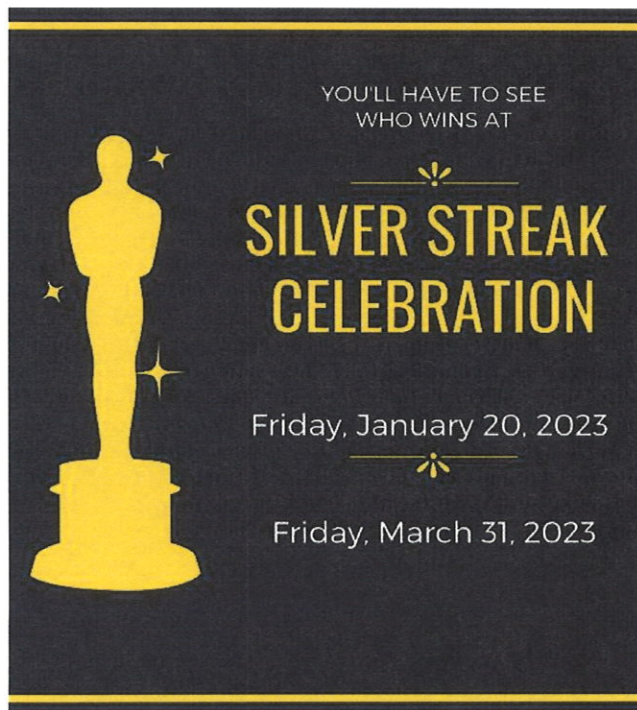

Also, schedule a conference with your child's teacher before Spring Break (March 13-17) to ensure all parties are aware of the student's academic progress and testing scores. We need parental assistance in creating action plans for student success. Thank you for your continued support.

Fourth Grade

In math, we are working on multiplying fractions. In ELA, we are moving through Unit 4: We are learning about adventures, our government with narrative nonfiction, space exploration with historical fiction, and poetry to end it. In science, we are learning about energy and blasting off into Earth and space. With social studies, we are learning about the branches of government in both state and federal, and the Civil War and Reconstruction. We have our no cost field trip on the 3rd and permission slips for our end of year field trip will be coming home soon.

Fifth Grade

In Fifth Grade for the month of March in Math, students will be learning to divide fractions, classify figures and understand volume. We are continuously practicing our math facts and encourage students and their families to practice them at home. In ELA, we are working on reading and understanding drama, analyzing figurative language, and how characterization contributes to the plot of literary texts. We are continuously working on affixes. Please look on your child's classroom newsletter for the weekly suffixes, prefixes, and vocabulary words. Students should be reading at least 20 minutes a day and recording a summary in their reading logs. In Science and Social Studies, we are completing our "Sharing the Planet" unit. We are moving into our unit that focuses on physical properties of matter, mixtures and solutions, and energy. As a reminder, the Seaworld field trip permission slip and money are due by April 30th. The permission slip must be notarized. Please feel free to use our notaries in the front office.

Why Offer Primary Years Programme (PYP) IB

As we approach the fourth quarter and continue with the PYP IB program, we want to share several specific ways you can support your child. Here are the six most important ways to support them at home:

- 1. Take an inquiry stance:** As the leading strategy teachers use, all teachers at JHW take an inquiry stance. What does this mean for parents? Here are a few things to do and resources to access.
- 2. Reflect together:** The PYP framework builds in time for reflection for students to be aware of their effort and identify specific ways to improve in the future; it is also part of our approaches to learning (ATL) under thinking skills to reflect on the process of learning. Here are some ideas for you:
- 3. Support agency:** The PYP define agency as, "the power to take meaningful and intentional action, and acknowledges the rights and responsibilities of the individual, supporting voice, choice and ownership for everyone in the learning community." How can you help with this?
- 4. Give feedback:** Feedback is one of the most effective tools we have as teachers. It moves students forward by considering, "What's my next step?" There is always a next step in learning and we need to help learners identify what this is. Here are a few ideas:
- 5. Extend concepts:** In the PYP, we have a carefully designed, intention concept-based curriculum. Concepts are powerful, broad and abstract organizing ideas that build understandings across, between and beyond subjects. How can you extend these at home?
- 6. Live the learner profile:** If you want to choose one area to focus on first, this would be it! Supporting the learner profile attributes is a key way to support your child. You can help by first understanding all 10 attributes, using these words in conversations with your child and living the learner profile through your words and actions.

The mission of Lake Wales Charter Schools, Inc. is to bring the best of public education to our community by providing innovation and choice within a continuous pre-school through postsecondary curriculum so that each child recognizes the benefits of life-long learning, constructive citizenship and personal happiness.

The Lake Wales Charter Schools, Inc. is an equal opportunity institution for education and employment.

February 10, 2023

The purpose of this letter is to let you know that Lake Wales Charter Schools will provide information to you regarding your child's teacher and paraprofessional qualifications in a timely manner upon request.

Federal law allows you to obtain certain information about your child's classroom teacher(s) and instructional assistants, and paraprofessionals.

You have the right to request the following:

- The teacher's Florida certification area(s) and,
 - If the teacher is teaching infield or is qualified according to Lake Wales Charter Schools.
 - If the teacher has met state licensing criteria for the grade levels and subject areas in which the teacher provides instruction.
 - If the teacher is teaching under temporary, emergency, or other provisional status OR has been teaching for less than four years.
 - If a teacher has received a summative performance evaluation rating of unsatisfactory per s. 1012.34, F.S., Personnel evaluation procedures and criteria.
- The instructional qualifications of any instructional paraprofessional who provides services to your child.

You will be notified in writing if your child has been assigned or has been taught four consecutive weeks or more by a teacher who does not meet applicable State certification or licensure requirements at the grade level and subject area in which the teacher has been assigned [ESSA 1111(g)(1)(B), 1111(h)(5)(D), and 1112(e)(1)(B)(ii)]. The information regarding the qualifications of your child's teacher and/or classroom paraprofessionals may be obtained from your child's principal.

In addition, your child's school will provide information on the level of achievement of your child on state academic assessments. This information will be available at your child's school.

Please be assured that Lake Wales Charter Schools is dedicated to providing your child(ren) a quality education. If you would like to receive any of this information, please contact your child's school.

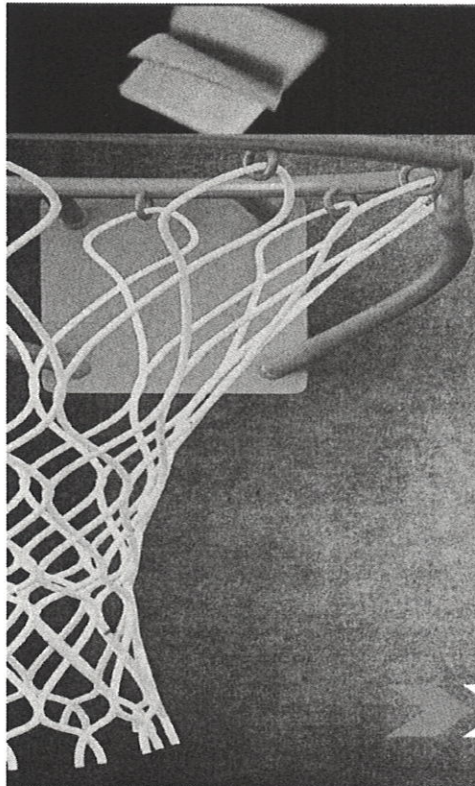

Sincerely,

Dr. Wayne Rodolfich

Florida Law requires each school to notify parents of all the students in a class that is being served by a teacher who is assigned teaching duties dealing with subject matter that is outside the field in which the teacher is certified. This roster lists all the contracted teachers at our school, their position titles, and a notation of any out-of-field assignments. If you see a notation by your child's teacher's name that he/she is teaching out-of-field, be assured is assigned teaching duties dealing with subject matter that is outside the field in which the teacher is certified. MARCH MADNESS

Are We Ready JHW???

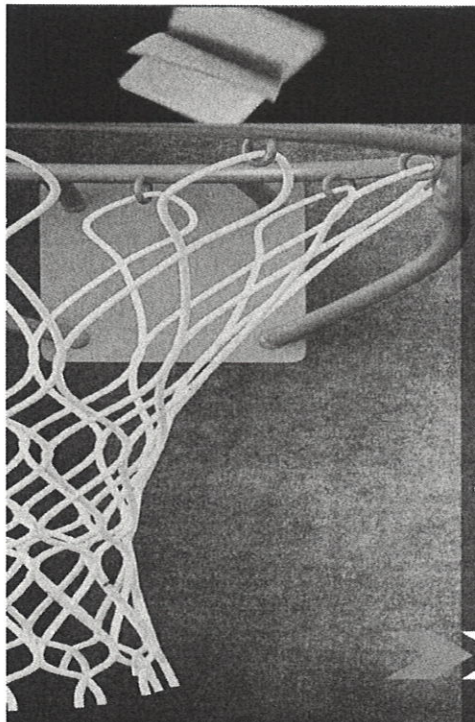

We are ready to kick National Reading Month off and have our classes compete to see who is the top reading class and MVP students. Starting Wednesday, March 1st through Wednesday, March 30th. We are going to track and share out the AR points ON GRADE LEVEL that are earned. We are kicking off March Madness with a basketball game this Friday as students have done extra work to participate in this as well as work on their behaviors.

Round 1: March 1st - March 8th: Top class/homeroom earns individual King size candy bars. One for primary and one for intermediate. This will be announced on the 9th.

Round 2: March 9th-19th: Top class/homeroom earns a choice of soda for an ice cream float. One for primary and one for intermediate. This will take place on the 22nd due to spring break but will be announced on the 21st.

Round 3: March 20th- 30th. Top class/homeroom earns a pizza party, one for primary and one for intermediate. Pizza party on the 31st to the top winners.

Students can earn a MVP for JHW by earning the most GRADE LEVEL points during March 1st-March 30th. There will be three MVPs for the school.
