

Acacia Connection

Friday, January 21: Show & Tell Two-Digit Number and/or Map , - This is any number from 10-99. The object should have at least one two-digit number on it. OR the map can be of your bedroom, town, a zoo, state, etc.

Bible Memory: Psalm 100:5 For the Lord is good and his love endures forever and his faithfulness continues through all generations.

Friday, January 28 – no school, staff development

Thursday, February 3rd – Elementary Spelling Bee

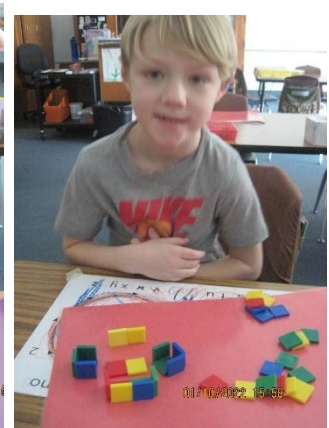

Wednesday morning we had our monthly Singspiration with Mr. Petersen.

Grade two practiced spelling words in playdough.

Vertebrate animals – mammals, reptiles, amphibians, birds and fish is our current science topic. Pattern blocks were used to create a design. Each design was different. God, our Creator, has made many different designs. Some body parts are similar, but each animal is unique and different.

Friday was our second snow day of the school year. Hope you enjoyed frolicking in the snow. Jewel did!
