Dear Parent,

The National Indian Education Association (NIEA), in partnership with the Navajo Nation's Department of Diné Education (DoDE), are pleased to announce several FREE academic enrichment opportunities for your child provided by a generous grant from the Office of Indian Education at the U.S. Department of Education.

The grant support is through a program called **Accessing Choices in Education** (or ACE) that puts you and your child in control of your academic supports! 3. Math Tutoring and Support (provided by Yup.com)
4. Dual Enrollment Opportunity (offered though Navajo Technical University)
5. Vocational Training (offered through Navajo Technical University)
6. Boarding School Trauma Healing (offered through NIEA)
