

2025-2026 New Milford Public Schools Kindergarten Registration Information

New Milford Public Schools invites families of incoming kindergarteners for the 2025-2026 school year to begin the registration process. Any child who will be 5 years of age on or before **September 1, 2025**, is eligible for enrollment in Kindergarten. For more information on the Kindergarten age requirement from the State of Connecticut - please [visit our website here](#).

You can begin the registration process by visiting www.newmilfordps.org and clicking on "**Student Registration**" found at the bottom of the homepage. Click on the "**School 1**" that your child will attend (**Hill and Plain or Northville**) and make sure to be sure the "**Entry Year**" is the 2025-2026 school year. If unsure, you can check which school your child would attend by clicking on the "[Kindergarten Registration Documents](#)" and going to the "[Boundary Directory](#)."

To complete registration:

1. Fill out all of the required sections online, which includes:
