July 2021

Dear Parents/Guardians:

We are pleased to announce that the Santa Maria Joint Union High School District will continue participating in the Seamless Summer Option (SSO) meal program for the 2021-2022 school year.

All students enrolled in the school district are eligible to receive a healthy breakfast and lunch at school at no charge to your household each day for the 2021-2022 school year. Your child(ren) will be able to participate in this meal program without having to pay a fee or submit a meal application. The district looks forward to serving nutritious well-balanced meals to your child(ren) all year long.

To ensure maximum student support services for your high school student(s), we kindly request that your household submit a Household Income Data Survey online at <https://family.titank12.com/income-form/new?identifier=T8X7HA> no later than October 31, 2021. This survey will ensure that your high school student(s) has access to all eligible resources, including waivers for college admissions test and applications, discounts on home internet, and it also generates additional State and Federal funding to support supplemental education programs and services at our high schools. The website is accessible by

clicking on this Titan link which is also located on the District and high school websites. Paper forms are also available at each school site's community liaisons' office and at the District Support Services Center. **The online and paper survey forms will be available after August 1, 2021.**

If you need assistance, please contact Michele Beach at email - mbeach@smjuhsd.org or telephone at (805) 922-4573 x 4402.

Thank you very much.
