THANKSGIVING

For those of us who proclaim Christ as our King, Thanksgiving is not just a long holiday weekend. Nor is it just the chance to watch eight consecutive hours of football. It's a time to reflect on the remarkable blessings God has showered upon us. It's a chance to give thanks for His loving presence in our lives. Think back over the year and you'll remember how often a crisis loomed above you, only to see His guiding hand intervene and bring you through the most troubling of times.

Perhaps you're facing just such a situation now. Thanksgiving is the perfect time to remind yourself and your family that there is much for which to be thankful. We know it's true for this ministry and we want to give God the glory for allowing us to be part of what He's doing in the lives of hurting families. As we enter this incredibly busy time of year, we hope that you and your loved ones will be able to escape the daily grind and spend some quality time together.

Thanksgiving and Christmas are traditionally viewed as family time. Often times, however, we're just too busy with the hustle and bustle

of the holidays to stop and "know that He is God". We ask that you say a prayer for all of us here at Goforth Media when we come to mind in the coming days. We are very aware of how much we need His hand on this ministry. We're earnestly trying to follow the Lord's leading in every area of the work to which He has called us. We also hope that you'll let us know how we can

better serve you and your loved ones.

Don't forget to pray for US troops overseas, far away from home. If you have friends or relatives in the military, please lift them up. Let them know there is a familiar sound available online

24 hours a day – Power 88.

Listening to Power 88 is a great way to keep them close to home and the Lord. We trust each one of you will have a blessed Thanksgiving with your family. On behalf of all your friends here at Goforth Media, we extend our appreciation for your continued interest and financial involvement in this ministry. May God's grace and peace surround you this holiday season.

Kenny's Corner

Over the past couple of months we have been playing a new song from the artist "Cochran & Company" called "Parking Lot." It's a song that is the personal testimony of Michael Cochran on the moment he surrendered his heart to Christ. This lyrically powerful song has become a listener favorite and almost a theme song for the staff of Power 88. Some of the lyrics state:

"I've heard other stories just like mine. Your love moved through a song at the perfect time. You don't just wait at the altar for us to walk the aisle. You grab our heart right through that radio dial."

That last line is very personal to us because we've heard story after story of how God was able to use a song heard over the airwaves on Power 88 to touch people in amazing ways right where they were. Here's a question for you. What's your parking lot song? What is the song that you heard that stopped you in your tracks and you knew God was talking directly to you? We'd love to hear your "Parking Lot" song story. Email us your story to music@goforth.org and we'd love to be able to share it with other listeners to encourage them, as well.

Notes From Listeners

As I'm sitting in my home office here in Appleton, I was looking for a good Christian radio station to stream while I'm working on some business stuff. I came across Power 88 about 15 minutes ago and have been enjoying the music. Good Stuff!

Your station is a real blessing this morning as I struggle with some marketing projects for business...Sometimes God reaches out to us in ways we might not expect. Power 88 is one of the ways He is reaching out to me this morning.

Thank you for your ministry and thank you for carrying out God's purpose!

God has blessed us financially this year. We felt led to donate to you ministry. Personally, we have been richly fed by the teachings on WBHY-AM and love to listen and sing with the praise music on Power 88! Thanks so much!

I am in recovery and sometimes I have really hard days and it's hard for me to focus. I am now living for God, but when I wasn't I was really into all the wrong kind of music, but I'm so glad that we do have a radio station that I can relate to, God's word and the Christian music release stress and lifts my spirits.
