**FOR IMMEDIATE RELEASE**

## **THE WILLIAMSBURG COUNTY SCHOOL BOARD IS PLEASED TO ANNOUNCE THE SELECTION OF DR. LAMONT MOORE AS THE DISTRICT'S SUPERINTENDENT**

Dr. Moore is currently serving as Director of Testing, Accountability, Gifted and Talented, Multilingual, and Title III Programs in Sumter County, SC. He previously served as a principal in Chester County, SC, and Lee County, SC. His prior experiences also include working at the South Carolina Department of Education as the Director of Gifted and Talented, Advanced Placement, and International Baccalaureate Programs. He began his education career as a 4th-grade teacher in Charlotte-Mecklenburg Schools, NC.

"Our Board was very pleased with Dr. Moore's experience and educational background," said Board Chairperson Carletta Scott-Israel. "We believe Dr. Moore fits the qualities needed to continue to move our District forward in a manner that best serves our scholars and families. He also has experience in areas that will benefit our District now and in the future."

Dr. Moore was one of two finalists selected by the Board. Board members were pleased with the positive feedback they received regarding Dr. Moore following the community meetings. The Board has worked cooperatively with State Superintendent Ellen Weaver and the South Carolina Department of Education, and an employment contract is being executed with Dr. Moore. Dr. Moore will assume his duties as Williamsburg County's new superintendent on July 1 and will be designated as Superintendent-Elect until that time.

Selecting our next superintendent has been an important process for the Board, and the Board is very appreciative of the support it received from all stakeholders, including employees and members of the community. We look forward to a bright future under Dr. Moore's leadership.

*The mission of Williamsburg County School District is to prepare students for college, careers, and citizenship in a global society.*
