

Thanksgiving Holidays

November 22-29

Thanksgiving is a day for gratitude, for sharing, for remembering, the special people in our lives. Our wish for you and your family is to have a wonderful Thanksgiving week. Please be safe and enjoy your holiday.

Word for the month of November: Team Work

This month we CELEBRATE the Native American Heritage.

Migrant Friday Program for 3, 4, or 5 year old children from migrant homes will begin Friday, September 6, 2024. Students can attend each Friday at Westside Elementary from 8:00 AM - 12:00 PM. Transportation is provided.

Gifted Testing will be conducted in February 2025. Students can be nominated for consideration for testing by the parent or guardian. The deadline for nominations is December 2024.

Nomination does not guarantee the student will be tested; however all available data will be studied for each student in the preliminary selection pool by the school's Gifted Eligibility Team. The team will make the decision to move forward with formal testing or to stop the process. For more information, or to nominate a student for consideration, please contact Anna Harris, Gifted Coordinator, at (912) 389-6535 by December 2024. Nominations for testing must be in writing.
