## Autumn

Autumn Rusche is our first of three seniors at Calhoun R-VIII. She can often be found, driving, working, sleeping, eating, reading, or doing art. Her biggest challenge the last four years has been dealing with the aftermath of COVID, especially having to do classwork online. Her most influential role models are William C. Durant and Rudolf Diesel. She will remember the people most when thinking back on her time at Calhoun R-VIII.

Autumn plans on becoming a mechanic. In 10 year, though, she sees herself as a stay-at-home mom with 2-3 kids. Her advice to the underclassmen is,

“Do your classwork[, and] stay caught up. Turn things in on time[, and] don’t be lazy.”

## Cross Country and Volleyball

Cross Country and Volleyball teams are in practice mode and will be competing soon. Stay tuned for updates on their progress this season.

## Quiz Bowl

Quiz Bowl practices have officially kicked off. The sponsor this year is Mr. Torbett, our new history teacher. Stay tuned for updates on teams and results.

## **Special Thanks**

We want to give a special thanks to the Clinton Mid-Day Optimist Club for their generous donation of school supplies this year. They helped us make sure every student had what was needed for class. They also donated hand sanitizer, which the teachers greatly appreciated. Thank you for always taking care of us.

## **5<sup>th</sup> Grade Is Going Strong**

From the desk of Mrs. Supanich, our new 5<sup>th</sup> Grade teacher:

5th Grade is off to a great start! The first week of school the class and I worked on getting to know each other. We went over class expectations that we created [together] and put them to practice throughout the day. The class voted on our first read aloud book, Dragon Mountain by Katie Tsang and Kevin Tsang. Textbooks were handed out to all students, desks organized, and supplies found a home. Ask your student what the class named our cow!

We are excited to have an A+ student coming to our room daily to help the students and assist with work. This week we will really begin digging into our curriculum and setting our daily routine. We are hoping for some cooler weather so we can get outside for recess!
