

We are having a marvelous time in Pre-K getting to know your children! We have enjoyed learning ALL about them. Most of them have shared their posters and told us about ALL of their FAVORITE things. We are delighted to see them learn and grow.

This month we will be learning so many exciting new things. Our topics will include learning about everyone's families, identifying emotions, and learning about the seasons as we get ready for fall! We will continue to review rules and procedures of our classroom and school.

Your children are a blessing to us and we are thrilled to learn all about each of them and look forward to them being a successful Pre-K student! Let's go Bulldogs!

**Skills to practice at home:**

- Writing first name
- Identifying letters in first name
- Naming emotions
- Safe choices with different emotions
