Opt-Out Acknowledgement

We understand that having a opt-out is a privilege and is based on graduation, attendance, and behavior status. Students on a SARB or DARB contract will be unable to opt-out. Students may have their opt-outs revoked if at any time their graduation, attendance, or behavior status changes during the school year. Opt-outs are available only during 7th period for this grade level, if enrolled in a zero period. Students who opt out 7th period should be off campus during this time. By signing below, I approve my student to have the opportunity to opt out.
