As of October 22nd, the Elmore County Public School System has made a change to unexcused absence truancy. The UNEXCUSED absence policy is as follows:

1st unexcused absence - Letter to the parent

3rd unexcused absence - Letter to the parent

5th unexcused absence - Parent must participate in the Early Warning Program at the juvenile court.

Please note: If the parent fails to attend the Early Warning Program, or if a student accumulates two or more additional unexcused absences for the school year, a petition will be signed for both the parent and student to appear in juvenile court.

Our goal is to support every student in their educational journey and to emphasize the importance of regular school attendance.

EVERY STUDENT EMPOWERED, EVERY STUDENT SUCCEEDS!
