

What's Happening This Month....

We hope everyone enjoyed their spring break. Did you know there is less than 8 weeks left of the school year? April and May both bring lots of activities here at LES and a pretty busy schedule. Classes will begin taking spring field trips this month and also preparing for ILEARN testing. ILEARN testing will begin for our 3rd through 6th graders the week of April 20th. ILEARN, the Indiana Learning Evaluation Assessment Readiness Network, is the annual summative assessment for Indiana students. It tests Indiana academic standards across the core subjects of english language arts, mathematics, science, and social studies and is delivered primarily online. It is very important that students get adequate sleep the night before testing and come prepared to class. This helps them to be focused and ready to begin testing.

A Great Big Thank You!!!! We are excited to announce that our Poppin Popcorn Fundraiser made \$3,835.00. This was so amazing and helps our school out tremendously. Our fundraiser makes sure that the students can have a fun filled day in May at the Principal's Plunge Party. What is left from that goes towards Hive prizes that the students get all throughout the year as they earn Jacket Dollars. Hive prizes are incentives that the students earn according to how many Jacket Dollars they receive every week, all year long. These prizes start off small but can end really big. Some of those prizes include candy bars, smickers, pop, stress ball, smillows, lunch delivered from Dairy Cottage, a trip to the movie theater and many more items. Our students look forward to these incentives every week and it is because of your help that we can continue to offer these.

Be on the lookout for carnival flyers. The PTO will be sending raffle ticket information home soon. The school carnival is a lot fun for both our students and families. It is filled with games, prizes, food and raffle items. This year the carnival will be on May 1st from 5pm to 7pm.

A reminder to our families that as the weather warms up and we begin wearing our spring and summer attire, we still need to be mindful of school policies. You can check the school handbook for information on the length of shorts, crop tops, tank tops, sandals and more.

Are you interested in becoming more involved with your students school? Our parent teacher organization, The Jacket Backers, would be a great way to do that. They are always organizing events and fun opportunities for our students. If you would like to volunteer to help out please send them a message via our facebook page or contact Kaleigh Hammond or Jessica Couch.

Reminders

- 4/3: Good Friday/ School Is In Session/ Snow Make Up Day
- 4/5: Easter
- 4/6 to 4/10: Book Blast
- 4/7: FCHS Play Preview
