Re: Optional Mask and PPE Protocols

Dear Parents, Guardians, and Staff,

As part of our ongoing commitment to supporting both the health and comfort of our school community, we are updating our mask mandate effective immediately. After reviewing current health guidance and local conditions; mask wearing on campus will now be optional.

This change means that students, staff, and visitors may choose whether or not to wear a mask during the school day and at school-sponsored events. We ask everyone to respect the personal choices of others regarding mask use.

Benefits of Choosing to Wear a Mask (Optional):

- Helps reduce the spread of colds, flu, and other respiratory illnesses.
- Provides added protection for individuals with health concerns.
- Offers peace of mind during high-illness seasons or crowded indoor activities.

Thank you for helping us maintain a respectful and healthy school environment. Please contact the office with any questions at (928) 291-0008.

**MISSION STATEMENT**

Lukachukai Community Board of Education, Inc. provides a strong comprehensive curriculum that enhances and strengthens individuality and independence in our global society.
