Dear Parent/Guardian:

Welcome to Hernando High School! The HHS Counselor's Office discussed registering for classes for the 2023-2024 school year with your student. You will see on the alternate side a list of Courses. There is a packet of important dates and MS Graduation Requirements that should be brought home by your student.

As you preview the Course Request Sheet, you will have an opportunity to "request" elective credits for your child for the upcoming school year. We will try to grant as many requests as possible; please know in the event they are not scheduled for a requested elective they will have four years to be able to take the courses of their choice. The core subjects (English, Math, and Science) will be selected by the HHS Administration based off 8th grade grades, Case 21, Teacher Recommendations, State Test Scores, and Gifted Eligibility. Each student will earn 8 credits for their Freshman year.

We will have a Parent Night on Monday, March 6th at 6:00 p.m. in the Hernando Performing Arts building, located at the front of HHS. During the Parent Night, Central Services will here be to review the Graduation Options with you. The HHS Administration will present, and the Counselors will review the Course Request Sheet.

Other things you will want to know as a parent:

- If your child was in Spotlight during Elementary, a separate letter will be sent home with them regarding their Gifted English course. An invitation letter will also be sent home with students who scored in the 90th percentile on the i-Ready test. Return the signed form with the Course Selection Sheet.
- Any student interested in Eye of the Tiger (the HHS news broadcast), applications for EOT were available to your student today as well.
- **EVERYTHING is due to the HMS Counselor's Office by Thursday, March 9th.**

I look forward to working with you and your student. If you have any questions, please feel free to contact me by email.

Sincerely,

Anne Goss

9th Grade and 10th Grade Counselor **A-K**
