Reports

Mr. Johnson gave a presentation on the years' progress in comparison to the year before. The data showed reading and math subject data which contained 2024-25 to 2025-26 on the Fall, Winter, and Spring benchmark dates. He stated that the data shows that we have slight improvements with our diagnostics. He mentioned the goal was for JES students to achieve at a high level and for JES to be rated as "Good" on the SC state public school report card. He mentioned that JES has installed intentional planning with struggling grade levels; JES has hired a part-time interventionist to push into those struggling classes to supplement instruction; He made mention of the incentives that have been put in place to encourage students to do their best and achieve their highest score. Mr. Johnson opened the floor for questions about the data. No questions were asked. Mr. Johnson adjourned the meeting.
