FINANCIAL REPORT FOR THE YEAR ENDING JULY 10, 1916.

READ THIS.—If the following report is correct, the totals of receipts and expenditures will balance. Care should be taken to enter each amount under its proper heading, and to enter no amount twice. If money other than the funds of the district is advanced by any one in paying teacher or for other expenses, it should be included in the item 7 Receipts from Loans. It is really money borrowed, and should also be included in the "Indebtedness" (item 16 above.) Do not include bills unpaid at close of year, in item 16. Do not foot up the columns alike unless they actually add up alike.

RECEIPTS.			EXPENDITURES.		
READ THIS—Insert nothing here that has not come into the treasurer's hands; give exact amount of each fund separately and put nothing under any head save what the head indicates. Money advanced by any person, or loaned, or an overdraft at the bank, should be placed under head "from loans." Receipts. Money remaining in the hands of the township treasurer has not been "received" by the district and no account should be here taken of it; include that in "Amount due the district" (item 17 above.)			READ THIS—Items 1 and 2 expenditures should show the total amount paid teachers during the year, including all that was paid on balances due for previous year. Do not include what may still be due. The total wages of the year is shown in item 20 above. Do not include any part of teachers' wages in item 7 expenditures. Include nothing in items 1-7, except what has actually been paid out.
